

First, then

First

Then

HOW TO USE IT THIS WEEK

Give a warning. Show the board 5 minutes before the change: "First park, then car."

Make "then" worth it. Put something your child enjoys in the "then" spot, like a snack or a favorite song.

Keep your words short. Say the same few words every time and let the pictures do the talking.

Cut out and stick on the board

Shoes on

Park

Car

Snack

Bath

Book
